

Corona hygienic concept - for our safety

The following rules apply in the hotel

- Masks are mandatory for guests and staff on the corridors (with the exception of your room and at the table)
- Adherence to the minimum distance of 1.50 m
- Hand disinfection at the entrances
- Regular airing at the reception and in the public rooms
- One registration form per household must be completed

In your room

- Careful cleaning and disinfection of the surfaces in your room.
- Please open the window to tilt when you leave your hotel room.

In the breakfast room

- the tables are at least 1.50 m apart.
- we have a one-way system signposted.
- we do not use cruets for salt and pepper and offer more individually packaged products.
- the tables are disinfected before each new guest.

In the meeting rooms

- maintaining a distance between tables of at least 1.50 m
- Careful cleaning of surfaces in the rooms
- Regular airing before and after the event. During the event, please also make sure to air the room at intervals.
- Depending on the current regulations, lunch will be served at the table or, if available, in another room.

Bar and terrace

- As soon as the regulation permits, our terrace and bar are available to you, in compliance with the spacing rules and hygiene regulations.
- Please check the current opening hours.

Regular staff training and COVID-19 tests

- Our staff is constantly trained on the new extended hygiene standards, and they also are tested regularly on Corona.

Please contact us if you have any questions. We are very concerned to ensure that you have a pleasant and safe stay.

The current state ordinance of Lower Saxony applies.
